Mental Health Amplified Virtual Benefit Concert – May 2021

QSC D&I Committee & QSC Cares partnered to put on a virtual concert to raise money in support of Mental Health Awareness. Several beloved QSC artists and partners donated their time and talent. We raised over \$12,000 which was donated to The Priority Center of Orange County. The Priority Center's mission is to deliver life-changing programs to assist people in crisis by giving them the tools and support necessary to end the generational cycle of trauma, including prevention of child abuse and neglect, through early intervention and mental health services and advocacy.

QSC had another successful diaper drive this year, donating thousands of diapers to children in need. Did you know the average number of diapers used during a baby's first year is between 2000-2200 diapers?

This year we were able to help 15 families of veterans coming out of homelessness as well as provide several other supplies needed to other families. The (15) Welcome Home Baskets were distributed to the veteran families on Veterans Day.
